January 2025

I'm writing to you on behalf of our organization, **The Friends of East Troy Lion's Public Library**. Our nonprofit's* mission is to help the library on behalf of the Tri-Troy community.

We have a vision of helping ETLPL and the communities it serves. The only way we can do this is by having a strong network of volunteers and supporters where your help will be instrumental in changing the lives of all who see a library as a valuable and necessary resource center in our community.

Our cause is very important and meaningful. In the last year, we have provided hours of volunteer time and raised monies for the library. This would not have been possible without the generous donors and volunteers like yourself.

By supporting us, you can help provide education, world building, community, fellowship, and growth to every single demographic in the Tri-Troy area. You will be helping people with your gift, to grow our Library into a stronger community resource. You will receive public acknowledgment of your support through our communications, print matter, and on social media.

If you wish to get involved, please see in the next column some of the ways you can volunteer or assist us financially.

If you have any questions, we would be happy to provide you with more information about how you can help support our work.

Your support makes a difference in the lives of every resident of our Tri-Troy community!

Thank you for your time and consideration.

Sincerely,

Mary Vaccarello- President
